2015 Hurley Pediatric Conference

American Academy of Pediatrics
DEDDICATED TO THE HEALTH OF ALL CHILDREN™

Michigan Chapter

Program Objectives

Upon completion of the “Advances in Pediatric Muscular Dystrophies” activity, the participants will be able to:

- Be familiar with the recent advances in the diagnostic tools and methodologies used and with recent and cutting edge treatment modalities.
- Know when to refer patients with muscular disorders to neurologists.
- Be a good liaison person between subspecialists and parents and patients with muscular disorders.

Upon completion of the 2015 Pediatric Update, the participants will be able to:

- Know the diagnosis and management of obstructive sleep apnea in children.
- Identify red flags and know the management of pediatric headache.
- Identify pediatric MSK exam findings that are unique to children, describe their natural course and discuss points of reassurance, indications for observation, and histories/findings that warrant further workup.
- Initiate ADHD work-up, describe ADHD diagnosis criteria, and identify when a case should be referred to a subspecialist.
- Identify current topics in pediatric dentistry.
- Understand the management, as well as the strategies for prevention of staph infections in children.
- Understand current pediatric issues at the state and national level.

Target Audience

Pediatric and Medicine Primary Care Physicians, Hurley Allied Health Professionals, Residents, and Nurses.

Accreditation:

This activity has been planned and implemented in accordance with the Accreditation Elements and Policies of the Michigan State Medical Society through the joint sponsorship of Hurley Medical Center and the Michigan Chapter of the American Academy of Pediatrics. Hurley Medical Center is accredited by the Michigan State Medical Society to provide continuing medical education for physicians.

Designation:

Hurley Medical Center designates this live activity for a maximum of 5AMA PRA Category 1 Credit(s)™. Physicians should only claim the credit commensurate with the extent of their participation in the activity.
